# GUIDE TO SCANNING THE FIORINI PRICE LISTS

The Fiorini price list, *always updated*, can be accessed via mobile phone or tablet, without the need for registration.

It is possible to view the prices via QR Code or via the dedicated website.

- Procedure via QR Code:

Within each page with a price table, you will find a QR Code, through which you can view the updated price list of the list of products present.

• Frame the QR Code for which you want to know the updated price list with the camera or with an App for reading the QR Code.

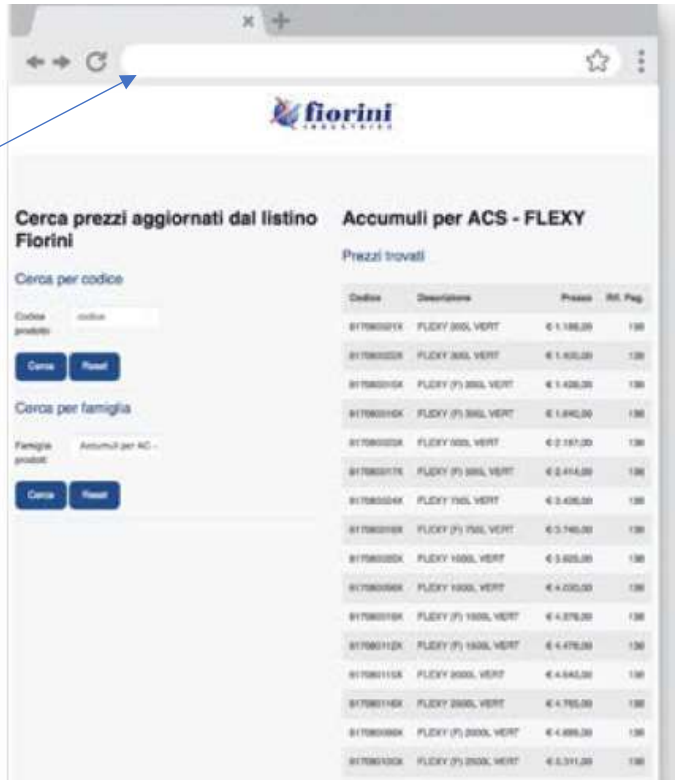

• Click on the link appearing on the screen to access the Fiorini price list.

- Procedure via web page:

The Fiorini price list is accessible via mobile phone or tablet, without registration, by directly accessing the link: **go.fiorinigroup.it/pr**

Search for the desired product by code, trade name or product family.
